APPROVED BY COUNCIL OF ARCHITECTURE AND
AFFILIATED TO UNIVERSITY OF CALICUT
AN EDUCATIONAL INSTITUTION RUN BY
THE MUSLIM EDUCATIONAL SOCIETY (REGD), CALICUT

MES COLLEGE OF ARCHITECTURE, KAKKODI, KOZHIKODE
[Code:MER]
THE MUSLIM EDUCATIONAL SOCIETY

Past few decades have witnessed a significant transformation in the educational status of Kerala Muslims, who were educationally most backward. The Muslim Educational Society is one of the main architects of such transformation.

The movement was started by a group of socially conscious and well-known professionals, intellectuals & educationists. Businessmen whole-heartedly supported the venture. The society has been promoting a large number of educational projects and programs from primary schools to professional colleges. In a short span of time, its activities spread to almost every district in Kerala and a large number of MES educational institutions were started. Today the Society runs more than 150 institutions including more than 50 Schools, a number of Post Graduate Colleges, Women's Colleges, Professional institutions like Engineering Colleges, Architecture College, Medical College, Nursing College and Dental College. In addition to these institutions in the states of Kerala and Tamil Nadu, MES established institutions in the West Asian countries like Saudi -Arabia, U.A.E., Qatar and Muscat.

VISION

To develop an institution of international standing and to provide quality education in Architecture and empower students to face challenges, taking care of societal responsibilities.

MISSION

To provide state-of-art knowledge and skills in Architecture that would guide them serve the society with dedication.

To develop creativity and innovative research capabilities in the students, making them capable of useful contributions in the creation of knowledge.

To inculcate leadership qualities, human values and social responsibilities in the youth that would help them to become leaders in nation building.

TOWARDS A BETTER TOMORROW

Our country requires many architects, technologists and managers to meet the challenges of the 21st century. MES endeavours to help our country face this challenge with special emphasis on the region and their community, With constant interaction with the industrial and business community, MES aims not only to emerge as a centre for teaching technology and management, but also to become a centre for research and development. The MES has initiated steps to establish a Deemed/NRI/PIO University.

ABOUT THE COLLEGE

MES College of Architecture, Kakkodi, Kozhikode was started in the academic year 2013-14 with an intake of 40 students. The need for an Architecture College of excellence in this part of Kerala has been felt by us for a long time based on tremendous demand for admission at the School of Architecture in the MES College of Engineering, MESCE, Kuttippuram. MES now wish to extend its services to the people in the northern parts of the state for their convenience, offering excellent education and training in Architecture.

The MES College of Architecture, Kakkodi, Kozhikode is situated atop Nedumalakkunnu, Kakkodi, in the outskirts, 12km away from Calicut city. The College campus site extents to 12 acres of land and render itself for further expansion and development. Residential facility for students and staff would be developed soon and it will create an ambience for an exciting working environment for creativity. The College is situated in a beautiful natural setting to be a perfect campus for Architects.

Recognized by the CoA and the Government of Kerala, the College is affiliated to the University of Calicut. The College is easily accessible by road and rail, being only 12km from Kozhikode railway station. The nearest Airport is at Karippur, 38 km away from the College.
